Please consider advertising your business in the 2009 Mississippi Association for Gifted Children's (MAGC) conference program. The conference will be held in Choctaw, Mississippi at the Pearl River Resort on September 24-25. Our program will be printed in black and white on standard 8 ½ by 11-inch paper. We are offering ads in three sizes (1/4 page, ½ page, and full page) at very reasonable rates. See the form below for ad prices.

The Mississippi Association for Gifted Children Conference targets teachers and parents of gifted learners, school, district, and state level administrators, school counselors, graduate students, and university personnel. All registrants for the September 2009 conference will receive the program. We anticipate over 600 participants and are printing 800 programs for this year's conference.
